

GUTENBERG alumni

The network of Johannes Gutenberg University Mainz

“ We need to keep focused on our huge shared responsibility for the training and education of people throughout the world. During my time at Johannes Gutenberg University Mainz, first the world came to me and then I had the opportunity to go out into the world. I was lucky enough to enjoy an excellent level of education, to make friends, and to learn how important it is to be prepared for the diverse challenges of our global village – all in an atmosphere of tolerance and togetherness with a unique international flavor.”

Prof. Lazarus Hangula, Rector of the University of Namibia

Alumnus of Johannes Gutenberg University Mainz

YOU ARE THE AMBASSADORS OF JOHANNES GUTENBERG UNIVERSITY MAINZ

You studied, researched, taught, or worked at Johannes Gutenberg University Mainz?
Then you are a member of the JGU community just like everyone who is currently working or studying at Mainz University. Let's keep in touch, use our offers, and share your experience.
We are looking forward to hearing from you!

Johannes Gutenberg, the namesake of our university, stands for innovation and technological progress as well as for the idea of crossing boundaries and providing broad access to knowledge. Gutenberg alumni throughout the world feel bound to this spirit and the university motto UT OMNES UNUM SINT ('That they may all be one'). Founded in 1477 and today with around 35,000 students from over 130 nations, Johannes Gutenberg University Mainz is one of the oldest and ten largest universities in Germany. As the only comprehensive university in the state of Rhineland-Palatinate, JGU combines almost all academic disciplines including the Mainz University Medical Center and two colleges of art under one roof – a unique feature in the German academic landscape.

You are the ambassadors of Johannes Gutenberg University Mainz – more than 100,000 Gutenberg alumni are engaged nationally and internationally in politics, business, science, society, and culture.

And this number is continuously growing as over 3,500 JGU graduates start their professional careers every year. Just like former lecturers, employees, and research alumni, they keep in touch with their alma mater and in this way create a diverse and lively network.

Johannes Gutenberg University Mainz places great value on building and maintaining links with its alumni worldwide.
